

2023 OHIO PORK CONGRESS & SPONSORSHIP OPPORTUNITIES

Information You Need to Know

We are welcoming farmer members and friends back to the Lima Convention Center on February 7-8 for the Ohio Pork Congress. With an expanded trade show floor and wonderful educational experiences planned, this year's congress is not an event to miss.

The 2023 Ohio Pork Congress and Swine Health Symposium will be a 2-day event, filled with educational seminars, but also with plenty of time for attendees to visit the exhibit hall and check out everything you have to offer. Of course, we will also be hosting the annual PAC Auction, with great food, drink, and an excellent selection of auction items.

Exhibitors

Exhibitor space fills up fast! Each booth space is 8' wide x 6' deep and includes drape, a 6' table, and chairs. With each booth rental you are allowed two (2) registered attendees, at no additional cost.

Submit your Contract for Exhibit Space prior to November 1 for a reduced cost and priority space assignments. Send your contracts to bbarker@ohiopork.org or mail to Ohio Pork Council, 9798 Karmar Court, Suite A, New Albany, OH 43054.

We have finalized the layout of the exhibit hall, a new layout offering 77 total booths. Booths are offered on a first come, first served basis for space selections. When exhibitors submit their contracts, we are asking them to include their top three (3) booth choices. We will try to accommodate these requests, but do not guarantee preferred spaces will be selected. Booths inside the trade floor will be offered/filled first, with the eleven booths in the hallway being overflow. If overflow booths are required, we will direct traffic down the hallway and before entering the trade floor on the first day to ensure attendees know the booths are there. On day two, traffic will not be diverted.

This new layout allows for a partition between the stage area and the trade floor, which will be opened during breaks and mealtimes. If there are any questions on the layout, feel free to reach out to Breanna Barker at bbarker@ohiopork.org.

Registrations

Our committee has not yet confirmed the schedule of events for Pork Congress, so the registration form has not been finalized at this time. When the registration form is complete, we will be sure to push that out to you.

However, for those that are working the trade show booth, I will be sure to get who will be attending closer to the time of the event, if you do not provide the name on the contract.

Associate Membership
